Starter Kit Order Terms / Things to Know

1. Online order process and prepayment must be completed before Starter Kit is dispatched
2. 3 month term starts from date of dispatch
3. SIM card is configured for data only use
4. SIM card will automatically be 'Deactivated' after 3 month term
5. We can keep your SIM up and running, just email us at info@m2mone.co.nz at any time during or after the 3 month term to Opt-In for ongoing data plan services
6. Ongoing services are invoiced separately, data plans are billed 3 months in advance
7. Please refer to M2M One NZ full terms and conditions during online registration
8. Devices must be equipped with a 3G/4G capable modem that is compatible with Spark's mobile network frequencies

* Courier delivery within NZ, no PO boxes, rural delivery extra...
Starter Kit deliveries to Rural NZ addresses is an additional \$5.00 + GST
